Get the Right HR Support for Your Business

As an HR professional, you have a lot of roles and responsibilities. You also have many daily activities that take valuable time away from focusing on the larger and more impactful strategic planning and HR work. Let the MRA HR Business Partners (HRBPs) provide the daily support and attention your employees need by taking care of the many administrative HR tasks on your “to-do” lists. Our HRBPs excel in meeting your unique HR requirements. They have diverse backgrounds, specialized skills, and broad experience as HR professionals to meet all of your organization’s needs. Let our HRBPs help save time, improve compliance, and enable you to focus your attention on other important HR demands.

MRA = Problem Solved

CHALLENGE: Our company was experiencing a major transition, and we didn’t have the resources needed to effectively support the business and our HR function. In addition, we had many other projects that needed our time and attention.

SOLUTION: MRA provided an HRBP who understood our business and fit with our culture. She completed outstanding HR tasks and effectively led us through our change management. The HRBP also showed us where we had some compliance gaps and fixed the issues right away. Her experience was invaluable and helped us during the most challenging season of our business cycle. *Problem solved.*
