What Leaders Need Now! Next Steps

You and your team learned a lot during the *What Leaders Need Now! 30 Minutes with MRA* online training. Ensure you make the most of it! Engage an MRA Leadership Effectiveness Coach.

Coaching helps you and your teams:

- Apply new skills in real-world applications
- Integrate the new knowledge into workflows and leadership styles
- Improve within the confines of a safe space
- Create a development goal and plan for future skill-building
- Explore related content and resources

Maximize your learning with coaching. Contact us to get started!
